

Join us this summer for the first ever

ATOS Technical Experience

July 18-22, 2010
Zanesville, Ohio

On July 18-22, 2010, ATOS will host its first-ever Theatre Organ Technical Experience in Zanesville, Ohio. Allen Miller will be the primary instructor for the event, with assistance from Clark Wilson and Carlton Smith. Seminars and hands-on workshops will be presented on a variety of subjects ranging from moving about an organ chamber, care of pipes, tuning, blower control, winding fundamentals, chest restoration and much more

Schedule

July 18

Visit to the Ohio Theatre

Pizza and Pipes 'Get Acquainted' Party at the home of Karl and Barbara Saunders

July 19-21

Technical workshops/seminars at the home of Karl and Barbara Saunders

July 22

Excursion to Schopps' Pipe Shop, Canton Palace Theatre, and Kegg Pipe Organ Shop

Registration is \$380 for ATOS Members and \$420 for non-ATOS Members. Hotel expenses will be extra and are the responsibility of the participant. The designated hotel for the program is the Comfort Inn & Suites in Zanesville, which is being offered at a special rate of \$80/night. Most meals are included.

NOTE: Portions of the Technical Experience will be held in a classroom-like setting in a private home. Some portions will be held in a workshop where power tools may be used. Other portions will require access to organ chambers, tight spaces and close conditions. Some stair climbing and ladder climbing will be part of the Technical Experience. Please keep this in mind before registering.

For more information, please visit the "Front Desk" portion of the ATOS website at <http://www.atos.org/front-desk>, or, contact Allen Miller at 860/633-5710 or a.miller@atos.org.
