

# TECHNICAL EXPERIENCE August 6 – 9, 2018

Carlton Smith Pipe Organ Restorations  
Indianapolis, IN

## 2018 ATOS Technical Experience Application Form (Please type or print)

ATOS is pleased to offer the 8<sup>th</sup> Annual Technical Experience for participants 18 years of age and older. This year the Technical Experience will be presented again as in the past years. Since the very first Technical Experience was presented in 2010 six seminars have been held annually. Each seminar presented covered a major subject area with regard to proper restoration of a theatre pipe organ. We have now come full circle and the 2018 will begin the seminar series over again with the very basics of restoration. It will include proper materials to use and craftsmanship techniques for re-leathering manual and off set chests.

If there is interest among the participants part of the last day can consist of a field trip to the Hilbert Circle Theatre 3/24 Wurlitzer (a fully professional theatre organ restoration) and the Warren Performing Arts Center 3/18 Barton (a CIC-ATOS chapter restoration with professional assistance).

This year Carlton Smith, Clark Wilson *and* Justin Nimmo will be the instructors.

The 2018 Technical Experience takes place again at the working theatre organ restoration workshop of Carlton Smith Pipe Organ Restorations, 212 W. 10<sup>th</sup> Street, Suite D240, Indianapolis, IN 46202-5669.

There will not be an official hotel this year as with the increased discount sites etc. **Participants** can get a better rate *than* a contracted group rate. You are responsible for making your own hotel reservations. A list of hotels all within a short distance of one another is provided below. **Registration deadline for the Technical Experience is July 31st.**

Comfort Inn East, 2295 N Shadeland Ave, Indianapolis, IN, (317) 359-9999  
Holiday Inn Express- Indianapolis- East, 7035 Western Select Dr, Indianapolis, IN 46219 (317) 322-0011
