

To: ATOS Board of Directors

From: Tedde Gibson, Vice Chairman, Board of Directors, Chairman, Awards Committee

Subject: 2020 Report, Awards Committee

All 2020 ATOS Awards were to be presented at the 2020 ATOS Annual convention in Indianapolis, IN. Due to unforeseen events (COVID-19) the awards will still be presented in mid to late July, 2020 via livestream. The awardees will have been notified and will receive their plaques after the livestream presentation. I would like to thank members Col. Mike Hartley and Al Murrell for their assistance in selecting the worthy award recipients, many who have had decades of service to the ATOS and the theatre organ worldwide.

Respectfully submitted,

2020 ATOS Awards Committee

Tedde Gibson, committee chair
Vice-Chairman of the Board
