

TO: ATOS Board of Directors

FROM: ATOS Endowment Fund Trustees

DATE: June 19, 2020

RE: 2020 Grant Recommendations and Report

Attached please find a summary of the grant requests received for 2020. They are:

Dairyland Chapter, \$13,870, Geneva Restoration Phase I
Bluegrass Chapter, \$15,500, Restoration of Regulators, Trunks and Equalizers, KY Wurlitzer
Ironwood Theatre, \$2,000, General repair

The technical committee has reviewed and approved all applications. The Endowment Trustees recommend approving the full amounts.

Also attached is the March statement from Synovus indicating an account value of \$1,410,920. According to the new distribution guidelines, \$70,546 is available to award. The trustees further recommend an award of \$30,000 to ATOS to cover expenses associated with SYA, Technical Experience, YTOC, etc. An additional \$9,176 is recommended to be left in the fund but available in future years.

In the coming year the trustees will continue to explore investment options. We will also explore the possibility of using future grants as matching opportunities to further leverage the grant value.

Respectfully submitted,

Michael Fellenzer, Endowment Chair

Taylor Trimby
George Andersen
Adrian Phillips
Bob Maney

ACTIVITY > BANK DEPOSIT DETAIL

Bank deposits are not securities and are not covered by the Securities Investor Protection Corporation (SIPC). Customers are responsible for monitoring their total deposits at each Program Bank to determine the extent of available FDIC insurance. Your Ending Balance at each Program Bank as of the end of this statement period is shown below. If you participate in a Bank Deposit Sweep Program and also hold a Bank Deposit Direct Investment, the Bank Deposit Detail section lists banks and ending balances for both programs. Funds pending settlement reflect deposits to (credit) or withdrawals from (debit) a Program Bank. Subject to the terms of the applicable bank deposit disclosure, customers are reminded that funds are deposited to a Program Bank on the business day following the date that funds are credited to your account and until swept to a Program Bank, funds are covered by SIPC.

Debit Notification

Broker-dealer or Advisor Management Fee - Notification of Automatic Debit

Description	Fee Amount		
FEE CALCULATION	\$1,199.29	Billing Period	04/01/20 - 04/30/20
		Average Annualized Fee	1.02%
		Fee for this Account	\$1,199.29
		Period Ending Balance	\$1,410,919.88
		Number Billing Days/366	030/366
		Fee to be debited	\$1,199.29

The fee calculation is based on certain information provided by your Broker-dealer or Advisor. NFS does not verify the accuracy of the information. Average Annualized Fee represents an annualized average of your account fee percentage and/or asset class fee percentage as disclosed in your client fee agreement. The fee for this Billing Period is generated by dividing the annual fee by the number of Billing Periods in a year, then multiplying that Billing Period fee by the balance for the account. Any prorated fee calculation is based on the number of Billing Days in the period. You are responsible for verifying the accuracy of any fee charged by your Broker-dealer or Advisor.

This notification of an automatic debit is to keep you informed of the activity in your account. This is not an invoice; your account will be debited within 30 days of this statement. If you have any questions regarding the fee, please contact your account representative.

Footnotes and Cost Basis Information

Amortization, accretion and similar adjustments to cost basis have been provided for many fixed income securities (and some bond-like equities), however, they are not provided for certain types, such as short-term instruments, Unit Investment Trusts, foreign fixed income securities, or those that are subject to early prepayment of principal (pay downs). Where current year premium or acquisition premium amortization is provided, the prior years' cumulative amortization is reflected in the adjusted cost basis, but we cannot provide a breakdown or the total of such prior amortization amounts.

NFS is required to report certain cost basis and related information to the IRS on the Form 1099-B. Your official 1099-B forms for certain transactions will reflect which lots have been sold for tax purposes. To apply a specific identification cost basis method to 1099-B reporting, appropriate instructions must be on file with NFS or be received by NFS before the trade has settled. Absent such instructions, NFS determines cost basis at the time of sale based on its default methods of average cost for open-end mutual funds and first-in, first-out (FIFO) for all other (including ETFs) unless your broker dealer has elected to use another default method. NFS applies FIFO (or other disposal method, if applicable) based on its records, which may be different from yours. For transactions that are not subject to 1099-B cost basis reporting, you should refer to your trade confirmations and other applicable records to determine which lots were considered sold for tax purposes.

While NFS must meet IRS requirements with respect to certain information required to be reported to the IRS, NFS-provided cost basis, realized gain and loss, and holding period information may not reflect all adjustments necessary for your tax reporting purposes. NFS makes no warranties with respect to and specifically disclaims any liability arising out of a customer's use of, or any tax position taken in reliance upon, such information.

For investments in partnerships, NFS does not make any adjustments to cost basis information as the calculation of basis in such investments requires supplemental information from the partnership on its income and distributions during the period you held your investment. Partnerships usually provide this additional information on a Form K-1 issued by April 15th of the following year.

Consult your tax advisor for further information.

Cost basis and gain/loss information is provided as a service to corporate accounts. The information listed in the year-to-date gain/loss summary section is based on a calendar year (January - December). If your business/entity has a fiscal year end other than December 31st for tax purposes, the year-to-date information will not apply. If you have questions about your tax situation, consult your tax advisor.

Miscellaneous Footnotes

CHANGE IN VALUE OF YOUR PORTFOLIO is the change in market value of your portfolio assets over the time period shown. The portfolio assets include the market value of all the securities in the account, plus insurance and annuity assets if applicable. The time frame of the graph is from account opening or September 2011, whichever is later, to the current period. Please note that large increases and/or declines in the change in the value of the portfolio can be due to additions, distribution and/or performance.

CHANGE IN VALUE reflects appreciation or depreciation of your holdings due to price changes plus any activity not reflected within Additions and Withdrawals, Income, Taxes, Fees and Expenses, and Other Activity sections. Change in Value does not reflect activity related to assets in which NFS is not the custodian (e.g. Insurance and Annuities, Assets Held Away and Other Assets Held Away).

CALLABLE SECURITIES LOTTERY - When street name or bearer securities held for you are subject to a partial call or partial redemption by the issuer, NFS may or may not receive an allocation of called/redeemed securities by the issuer, transfer agent and/or depository. If NFS is allocated a portion of the called/redeemed securities, NFS utilizes an impartial lottery allocation system, in accordance with applicable rules, that randomly selects the securities within customer accounts that will be called/redeemed. NFS' allocations are not made on a pro rata basis and it is possible for you to receive a full or partial allocation, or no allocation. You have the right to withdraw uncalled fully paid securities at any time prior to the cutoff date and time established by the issuer, transfer agent and/or depository with respect to the partial call, and also to withdraw excess margin securities provided your account is not subject to restriction under Regulation T or such withdrawal will not cause an undermargined condition.

Miscellaneous Footnotes *continued*

PRICING INFORMATION - Prices displayed are obtained from sources that may include pricing vendors, broker/dealers who clear through NFS and/or other sources. Prices may not reflect current fair market value and/or may not be readily marketable or redeemable at the prices shown.

FOREIGN EXCHANGE TRANSACTIONS - Some transaction types necessitate a foreign currency exchange (FX) in order to settle. FX transactions may be effected by Fidelity Forex, Inc. on a principal basis. Fidelity Forex, Inc., an affiliate of NFS, may impose a commission or markup on the prevailing interbank market price, which may result in a higher price to you. Fidelity Forex, Inc. may share a portion of any FX commission or markup with NFS. More favorable rates may be available through third parties not affiliated with NFS. The rate applicable to any transaction involving an FX is available upon request through your broker-dealer.

COST BASIS LEGISLATION - New IRS Rules will require National Financial Services to report cost basis and holding period information for the sale of shares of open end Mutual Fund holdings purchased on or after January 1, 2012 on Form 1099-B. National Financial Services determines the cost basis for all shares of open end mutual funds using a default method of average cost. Alternatively, account owners or their brokers and advisors can instruct National Financial Services to determine the cost basis for shares of open end mutual funds by 1) setting up their non-retirement accounts with one of our eleven tax lot disposal methods available to investors or 2) identifying specific tax lots to sell at the time of a transaction. Contact your broker or advisor to learn more about the cost basis tracking of your holdings.

GLOSSARY Short Account Balances-If you have sold securities under the short sale rule, we have, in accordance with regulations, segregated the proceeds from such transactions in your Short Account. Any market increases or decreases from the original sale price will be marked to the market and will be transferred to your Margin Account on a weekly basis. **Market Value** - The Total Market Value has been calculated out to 9 decimal places, however, the individual unit price is displayed in 5 decimal places. The Total Market Value represents prices obtained from various sources, may be impacted by the frequency in which such prices are reported and such prices are not guaranteed. Prices received from pricing vendors are generally based on current market quotes, but when such quotes are not available the pricing vendors use a variety of techniques to estimate value. These estimates, particularly for **fixed income securities**, may be based on certain minimum principal amounts (e.g. \$1 million) and may not reflect all of the factors that affect the value of the security, including liquidity risk. The prices provided are not firm bids or offers. Certain securities may reflect "N/A" or "unavailable" where the price for such security is generally not available from a pricing source. The Market Value of a security, including those priced at par value, may differ from its purchase price and may not

CUSTOMER SERVICE: Please review your statement and report any inaccuracy or discrepancy immediately by **calling the telephone number of your broker-dealer reflected on the front of this statement**. Reports of any inaccuracy or discrepancy regarding your brokerage account or the activity therein should be directed to your **broker-dealer at the telephone number and address reflected on the front of this statement** and National Financial Services LLC ("NFS").

NFS carries your brokerage account and acts as your custodian for funds and securities that are deposited with NFS by you or your broker-dealer. **In addition to your initial contact with your broker-dealer you may contact NFS at (800) 801-9942**. Any oral communications regarding inaccuracies or discrepancies should be reconfirmed in writing to protect your rights, including those under the Securities Investor Protection Act ("SIPA"). When contacting either your broker-dealer or NFS, remember to include your entire brokerage account number to ensure a prompt reply.

ADDITIONAL INFORMATION Free credit balances ("FCB") are funds payable to you on demand. FCB are subject to open commitments such as uncleared checks and exclude proceeds from sales of certificated securities without delivery of the certificate. If your FCB is swept to a core position, you can liquidate the core position and have the proceeds sent to you or held in your account subject to the terms of your account agreement. Required rule 10b-10(a) information not contained herein will be provided on written request. Fidelity may use this free credit balance in connection with its business, subject to applicable law.

Credit Adjustment Program. Accountholders receiving payments in lieu of qualified dividends may not be eligible to receive credit adjustments intended to help cover additional associated federal tax burdens. NFS reserves the right to deny the adjustment to any accountholder and to amend or terminate the credit adjustment program.

Options Customers. Each transaction confirmation previously delivered to you contains full information about commissions and other charges. If you require further information, please contact your broker-dealer.

Assignments of American and European-style options are allocated among customer short positions pursuant to a random allocation procedure, a description of which is available upon request. Short positions in American-style options are liable for assignment at any time. The writer of a European-style option is subject to exercise assignment only during the exercise period. You should advise your broker-dealer promptly of any material change in your investment objectives or financial situation. **Splits, Dividends, and Interest.** Expected stock split, next dividend payable, and next interest payable information has been provided by third parties and may be subject to change. Information for certain securities may be missing if not received from third parties in time for printing. NFS is not responsible for inaccurate, incomplete, or missing information. Please consult your broker-dealer for more information about expected stock split, next dividend payable, and next interest payable for certain securities.

Equity Dividend Reinvestment Customers. Shares credited to your brokerage account resulted from transactions effected as agent by either: 1) Your broker-dealer for your investment account, or 2) through the Depository Trust Company (DTC) dividend reinvestment program. For broker-dealer effected transactions, the time of the transactions, the exchange upon which these transactions occurred and the name of the person from whom the security was purchased will be furnished upon written request. NFS may have acted as market maker in effecting trades in 'over-the-counter' securities.

Retirement Contributions/Distributions. A summary of retirement contributions/distributions is displayed for you in the activity summary section of your statement. **Income Reporting.** NFS reports earnings from investments in Traditional IRAs, Rollover IRAs, SEP-IRAs and, Keoghs as tax-deferred income. Earnings from Roth IRAs are reported as tax-free income, since distributions may be tax-free after meeting the 5 year aging requirement and certain other conditions. **A financial statement** of NFS is available for your personal inspection at its office or a copy of it will be mailed to you upon your written request.

Statement Mailing. NFS will deliver statements by mail or, if applicable, notify you by e-mail of your statement's availability, if you had transactions that affected your cash balances or security positions held in your account(s) during the last monthly reporting period. At a minimum, all brokerage customers will receive quarterly statements (at least four times per calendar year) as long as their accounts contain a cash or securities balance.

Loads and Fees. In connection with (i) access to, purchase or redemption of, and/or maintenance of positions in mutual funds and other investment products ("funds") or (ii) infrastructure needed to support such funds, some funds, or their investment affiliates, pay your introducing broker dealer and/or NFS sales loads and 12b-1 fees

closely reflect the value at which the security may be sold or purchased based on various market factors.

Investment decisions should be made only after consulting your broker-dealer.

Estimated Annual Income (EAI) & Estimated Yield (EY) - EAI for fixed income is calculated using the coupon rate. For all other securities, EAI is calculated using an indicated annual dividend (IAD). The IAD is an estimate of a security's dividend payments for the next 12 months calculated based on prior and/or declared dividends for that security. EY reflects only the income generated by an investment and not changes in its price which may fluctuate. Interest and dividend rates are subject to change at any time and may be affected by current and future economic, political and business conditions. EAI and EY are estimates only and may include return of principal and/or capital gains, which would render them overstated. EAI and EY are provided for informational purposes only and should not be used or relied on for making investment, trading or tax decisions. EAI and EY are based on data obtained from information providers believed to be reliable, but no assurance can be made as to accuracy, timeliness or completeness.

described in the prospectus as well as additional compensation for shareholder services, start-up fees, infrastructure support and maintenance, and other programs. Additional information about the source(s) and amount(s) of compensation as well as other remuneration received by your introducing broker dealer and/or NFS will be furnished to you upon written request. At time of purchase fund shares may be assigned a load, transaction fee or no transaction fee status. At time of sale, any fees applicable to your transaction will be assessed based on the status assigned to the shares at time of purchase. **Margin.** If you have applied for margin privileges and been approved, you may borrow money from NFS in exchange for pledging the assets in your account as collateral for any outstanding margin loan. The amount you may borrow is based on the value of securities in your margin account, which is identified on your statement. If you have a margin account, this is a combined statement of your margin account and special memorandum account other than your non-purpose margin accounts maintained for you under Section 220.5 of Regulation T issued by the Board of Governors of the Federal Reserve Board. The permanent record of the separate account, as required by Regulation T, is available for your inspection upon request. **NYSE and FINRA.** All transactions are subject to the constitution, rules, regulations, customs, usages, rulings and interpretations of the exchange market and its clearing house, if any, where the transactions are executed, and of the New York Stock Exchange (NYSE) and of the Financial Industry Regulatory Authority ("FINRA"). The FINRA requires that we notify you in writing of the availability of an investor brochure that includes information describing FINRA Regulation's BrokerCheck Program ("Program"). To obtain a brochure or more information about the Program or FINRA Regulation, contact the FINRA Regulation BrokerCheck Program Hotline at (800) 289-9999 or access the FINRA's web site at www.finra.org. **FINRA Rule 4311** requires that your broker-dealer and NFS allocate between them certain functions regarding the administration of your brokerage account. The following is a summary of the allocation services performed by your broker-dealer and NFS. A more complete description is available upon request. **Your broker-dealer is responsible for:** (1) obtaining and verifying brokerage account information and documentation, (2) opening, approving and monitoring your brokerage account, (3) transmitting timely and accurate orders and other instructions to NFS with respect to your brokerage account, (4) determining the suitability of investment recommendations and advice, (5) operating, and supervising your brokerage account and its own activities in compliance with applicable laws and regulations including compliance with margin rules pertaining to your margin account, if applicable, and (6) maintaining required books and records for the services that it performs. **NFS shall, at the direction of your broker-dealer:** (1) execute, clear and settle transactions processed through NFS by your broker-dealer, (2) prepare and send transaction confirmations and periodic statements of your brokerage account (unless your broker-dealer has undertaken to do so). Certain securities pricing and descriptive information may be provided by your broker-dealer or obtained from third parties deemed to be reliable, however, this information has not been verified by NFS, (3) act as custodian for funds and securities received by NFS on your behalf, (4) follow the instructions of your broker-dealer with respect to transactions and the receipt and delivery of funds and securities for your brokerage account, and (5) extend margin credit for purchasing or carrying securities on margin. Your broker-dealer is responsible for ensuring that your brokerage account is in compliance with federal, industry and NFS margin rules, and for advising you of margin requirements. NFS shall maintain the required books and records for the services it performs. **Securities in accounts carried by NFS** are protected in accordance with the Securities Investor Protection Corporation ("SIPC") up to \$500,000. The \$500,000 total amount of SIPC protection is inclusive of up to \$250,000 protection for claims for cash, subject to periodic adjustments for inflation in accordance with terms of the SIPC statute and approval by SIPC's Board of Directors. NFS also has arranged for coverage above these limits. Neither coverage protects against a decline in the market value of securities, nor does either coverage extend to certain securities that are considered ineligible for coverage. For more details on SIPC, or to request a SIPC brochure, visit www.sipc.org or call 1-202-371-8300. Funds used to purchase or sweep to a bank deposit are SIPC protected until deposited to a Program Bank at which time funds may be eligible for FDIC insurance. Assets Held Away, commodities, unregistered investment contracts, futures accounts, loaned securities and other investments may not be covered. Precious metals are not covered by SIPC protection. Mutual funds and/or other securities are not backed or guaranteed by any bank, nor are they insured by the FDIC and involve investment risk including possible loss of principal.
