

ATOS 2015 ANNUAL MEETING COMMITTEE/OFFICER ACTIVITY REPORT FORM (2015)

Name of Activity: __ Convention CD Recording – Indianapolis convention
(Please fill out separate form for each activity.)

Committee Chair/Officer Name: _ Ken Double
Date of Report: __ June 23, 2015

1. Actions completed since the 2015 Mid-Year Meeting: (Please bullet actions completed.)

- The passing of Fred Bruflodt was the beginning of a series of difficult issues surrounding the production of the CD
- This was compounded by missing CD's, tracks unidentified, and some unresponsive artists
- And it was compounded further by a degree of frustration on the part of the overall producer
- The available recordings are now in the hands of engineer Bill Lightner, and we have more than 20 approved titles for production
- Work on securing the final 8-10 titles continues

2. Actions begun but incomplete since the 2015 Mid-Year Meeting: (Please bullet actions begun.)

- Mr. Lightner will complete production ASAP
- We will contract again with Dannielle Stark to produce the artwork and print materials
- Mr. Lightner will then prepare the new Philadelphia discs, and we will present both sets to those who have ordered both (with a discount included in the convention packet)
- Furthermore, it should be proposed that Mr. Lightner, or an equally qualified individual, shall be contracted to take on the responsibility of overall producer
- Finally, there should be discussion and recommendations regarding financing future recordings, either by adding a charge as a line-item in the overall convention budget, or by charging convention attendees and providing them with a disc simply for attending the convention.

3. Goals to be reached by the 2016 Mid-Year Meeting: (Please bullet goals.)

- Have both convention recordings complete and distributed
- Name an Executive Producer of the recordings
- Approve a policy by which the recordings will be better funded

4. Amount budgeted for your committee: __ \$6,000

Amount expended by your committee: __ \$ 0

5. Comments: (Any bulleted special notations, problems, or suggestions should be included here.)

- (see notations above)

6. Please provide a three-bullet summary of your committee/task force/officer activities since the 2015 Mid Year Meeting. These will be included in the minutes of the annual meeting.

- Recording engineer Fred Bruflodts' untimely death created major problems in producing the Indianapolis convention highlights recording

- Working with engineer Bill Lightner, ATOS is hoping to complete both the Philadelphia and Indianapolis recordings simultaneously for distribution to those who made purchases
- Further, ATOS is offering a discount for those convention attendees who ordered the Philadelphia CD, and will then secure the services of an Executive Producer to professionally produce future convention recordings.
