5. Comments:

It has been a pleasure and an honor to work as Youth Representative on the ATOS Board of Directors for the past three years. I am thankful to have been granted the opportunity to serve our organization in this capacity. I am looking forward to contributing to ATOS as a member, an artist, and in continued discussion with the current and future board and staff. Dan Minervini will be an excellent Youth Rep, and I am happy to leave the position in his hands.
