**1955-2018 INDEX OF ACTICLES PUBLISHED IN *THE TIBIA*,
THE BOMBARDE, and *THEATRE ORGAN*
 by Jack Moelmann**

This is an index of major items which appeared in *THE TIBIA*, 1955-1958; *THE BOMBARDE*, 1964-1966; and *THEATRE ORGAN*, 1959-2018. No attempt has been made to list the many smaller items such as Chapter News/Notes, Concert News, Nuggets, etc. In addition, other items routinely published are also not included, e.g., committees, Directors/Staff/Editors, classified ads, advertisements, the President's Message, Letters to the Editor/Members' Forum, meeting notices, advertising rates, items from the *ATOS International News* newsletter, some items from the Pipes and Personalities section, election announcements, Annual Membership Meeting announcements, Special Services/ATOS Marketplace items available, scholarship and competition program announcements, and other items of that nature.

Since *THEATRE ORGAN* is issued bi-monthly, issues are identified by the first month of their issue. Abbreviations used in this index include: C=Classical; CA=Audio Cassette Tape; CD=Compact Disc; E=Electronic Instrument; P=Pipe Organ; M=Mechanical Instrument; VC=Video Cassette Tape; Spr=Spring Issue; Win=Winter Issue; Sum=Summer Issue; Supp=Supplemental publication.

Corrections/comments/additions should be sent to Jack Moelmann; 1015 Matthew Drive, O'Fallon, Illinois 62269; Phone: (618) 632-8455; Fax: (618) 632-8456; E-mail: Jack@JackMoelmann.com
