**PLEASE NOTE:**

Bus loading/unloading/travel: Please be on time for the buses. Travel time in Rochester is minimal. We will reserve the front rows of the buses for those who have mobility difficulties. Please be considerate of this when boarding. On Sunday, Monday and Thursday each bus will make two trips between the hotel and the venues.

Dining in Rochester: The lunch and dinner times allocated in Rochester on Sunday and Monday are relatively short. We will be providing a listing of restaurants in the near downtown Rochester area. The restaurant in the hotel is good but will not be able to accommodate everyone in the time available. There are some, but not a lot of walkable places from the hotel. We strongly urge you to consider having UBER or LYFT on your phones. The hotel will offer a breakfast buffet every morning. Note that there is a Starbucks in the Hyatt hotel across Main Street from our hotel. We apologize in advance for any inconvenience.

Dining in Buffalo: We will provide a list of restaurants within walking distance of Shea's Buffalo Theatre. There are numerous options and we have provided ample time between the concerts.

Restrooms at the Riviera Theatre: Please be aware that the restroom facilities at the Riviera are limited.
