Mentor Program
Committee Chair: Bucky Reddish

Date of Report: 01-12-2010

1.Actions completed since the 2009 Annual Meeting:

Having just gotten the Mentor Program Chair I am doing the following: Put information in the ATOS Journal for March/April 2010 concerning the Mentor Program--How Apply, What is the Mentor Program, How it works, What are the qualifications.. I have set a deadline for all applicants and will be ready for applications. I will select a Committee of 3 People who will view the Qualifations, application, etc and determine the Winner.. I will be calling an ATOS Artist to provide the training and asking Allen Organ to use their instrument for the training session. I fully believe in this program because of the guidance and training an ATOS Member will receive from a National ATOS Artist.

2.Actions begun but incomplete since the 2009 Annual Meeting.

Having just gotten the Mentor Program in November -- will have action from now on for this Program

3.Goals to be reached by the 2010 Annual Meeting:

I would like to have more Members interested in wanting to apply for the Program, Have more Publicity about the Mentor Program-what it is, how it works, benefits, etc

4. Amount budgeted for your committee ---\$0

Amounted expended by your committee--\$0

5. Comments: Again, have just recently gotten the Mentor Program, will definite work very hard to get it to become a very important Program for ATOS to help players become better
