4. Amount budgeted for your committee: \$ 5,000 (part of "Development" allocation)

Amount expended by your committee: \$1,000.00 *

5. Comments:

* Fund Raising/Development is the category under which this area falls; That total budget is \$5,000 - and so far in total, some \$4200 has been allocated; This includes another \$877.50 was paid to Riley in January (post-Mid Year); Depending upon additional program needs, we may "push" the Development/Fund-Raising budget somewhat. This TBA based on future needs.
