

ATOS MID-YEAR ACTIVITY REPORT FORM (2011)

Name of Activity: Technical Experience

Committee Chair/Officer Name: Allen Miller

Date of Report: 1/1/2011

1. Actions completed since the 2009 Annual Meeting:

Technical Experience in Zanesville was a huge success. Returns of questionnaires suggested no major changes for next year. Several slight improvements were suggested and were already under consideration. Some, such as ordering lunch from a variety of restaurants are probably not practical.

2. Actions begun but incomplete since the 2009 Annual Meeting:

- Location and dates for 2011: Shanklin Music Hall, Groton, MA July 31-August 5
- Possible lodging and restaurants explored.

3. Goals to be reached by the 2010 Annual Meeting:

- Determine Budget and Registration Cost
- Line up Instructors
- Determine subjects to be covered
- Post Registration Form
- Complete planning for 2011 event

4. Amount budgeted for your committee: \$0

Amount expended by your committee: \$0

5. Comments:

It has been suggested/requested that lodging and food arrangements be explored and set up by either the Convention Planning Coordinator or a similar person designated for this part of the planning.

This year, and possibly next year, both Youth Camp and Technical Experience will be held in the same location. Many aspects of planning are the same for both activities and should be coordinated.

This would also reduce the amount of external work needed to be done by the Camp Administrators, who could then concentrate better on lesson plans.
